The City is soliciting Statements of Qualifications (SOQs) from qualified firms to provide services for the Cottonwood Lane and Arizola Road drainage study and plan. The estimated study and initial design contract total cost is not to exceed \$45,000.00. Subject to availability of additional funds, the selected Consultant may, at the City's sole discretion, be awarded another contract to provide final design services for the selected alternative.

SECTION 1: PROJECT DESCRIPTION

The City of Casa Grande with a population of approximately 50,000 is located in the Central Arizona region in Pinal County between the metropolitan Phoenix and Tucson.

Cottonwood Lane near Arizola Road experiences repeated stormwater flooding during and after heavy rains. This results in partial or complete road closure for cleaning and maintenance purposes. Cottonwood Lane is a major arterial connecting Pinal County and Casa Grande-Maricopa Highway. Cottonwood Lane was reconstructed in 2007 and pavement is fairly new. The City is concerned with stormwater flooding of newly paved road and is looking for alternatives to mitigate stormwater flooding. The causes of stormwater flooding are unknown. It is suspected that recent developments in the area have potentially altered the stormwater flow pattern, resulting in stormwater accumulation at this location.

The project is intended to provide drainage investigation and propose mitigation solutions for an area located, but not limited to, Cottonwood Lane and Arizola Road and associated watershed in the City of Casa Grande, Pinal County, Arizona. Casa Grande has various drainage studies in the area which show the extent of watershed and stormwater flow patterns. The Master Drainage Study for the City of Casa Grande was last revised in 1987 and lists a master drainage plan with a list of infrastructure needs. Unfortunately, the master plan was not fully implemented. The upstream and downstream of the area has also been studied in FEMA-FIS studies which can also be referenced. Additional drainage studies prepared by the developments in the area may also be available. The purpose of this investigation is to review the previous drainage reports and master plans, perform additional investigations and propose possible conceptual solutions to prevent any future damages to the roadways in the area.

All work shall be accomplished in accordance with the State, Local standards, guidelines, and regulations, the Environmental Protection Agency and Arizona Statutes. Consultant will be selected through a qualifications-based selection process. A detailed scope of professional services and professional fees will be negotiated and will be submitted for review and approval by the City Council. Once approved, a formal contract will be executed between the City of Casa Grande and Consultant. The City will administer the contract and provide staff support.

The consultant selected to perform this work shall be required to obtain and maintain insurance coverage as specified in the sample Contract. Consultants selected to perform under this solicitation shall also be required to obtain a City of Casa Grande business license.

SECTION 2: ABBREVIATED SCOPE OF SERVICES

The **Consultant** will provide the services under the direction of a Registered Professional Engineer within the State of Arizona in the appropriate discipline. The purpose of this project is to identify flooding problems and develop a plan for effectively addressing those flooding issues in a regional context with mitigation solutions that protect the public and property owners while coordinating with community needs and future plans for the area. The major objectives of the study are:

- i. Compile a comprehensive database of critical project information, including known flooding and drainage problems within the study area, existing infrastructure data, and information on alternative mitigation solutions.
- ii. Develop hydrologic and hydraulic models for the study area accounting for existing infrastructure including storm drains in order to identify and quantify existing drainage and flooding problems.
- iii. Identify cost-effective, context sensitive, conceptual flood mitigation alternatives with evaluations that are acceptable to the City for flooding problems identified.

The Consultant may perform reviews of the City's Master Drainage Study and plan of 1987, drainage reports and Improvement plans of Cottonwood Lane and developments in the vicinity, and verify its compliance with the City of Casa Grande Code of Ordinance. Characterize drainage, flooding sources and flooding hazards including the identification of existing and future flood hazards in the study area.

The Consultant will perform detailed hydraulic analysis of the flood conveyance system across Cottonwood Lane. Detailed tail water analysis due to topographical changes downstream needs to be verified and its impact on the upstream structure is anticipated. Hydraulic Engineering Center, River Analysis System (HEC-RAS) by Army Corps of Engineers and other supporting analysis software will be acceptable as part of the hydraulic analysis.

The Consultant will propose conceptual stormwater mitigation solutions for any future "base flood event" and will coordinate with City staff in selection of preferred alternatives. The proposed flood mitigation solutions based on the investigations findings will be coordinated with the City of Casa Grande in hardcopy as well as electronic format. A preferred alternative may be selected by the City staff.

All documents will be delivered as 6 copies in the following formats:

Reports – 8 ½ " x 11 inch one sided copies in Arial 12 point format with coversheet signed and sealed by an Arizona licensed professional engineer.

Conceptual Plans in 24 x 36 inch format and half size scalable format 11 x 17 inch format.

Provide an engineer's estimate of probable costs for each alternative.

Subject to availability of additional funds, the selected Consultant may, at the City's sole discretion, be awarded a contract to provide final design services for the selected alternative. The selected alternative will be fully designed in compliance with the City of

Casa Grande, Code of Ordinance drainage requirements. This may involve developing design schematics, sketches, environmental and aesthetic considerations, project recommendations and preliminary layouts, cost estimates and all activities required to undertake and accomplish a full and complete project design, detailed plans and specifications. A separate detailed scope of work and fee will be negotiated and all electronic documents will be delivered on USB flash drive, CD or DVD disk in a version confirmed usable by the City of Casa Grande IT department. An “as issued for bid” or “as published” copy in PDF format in a version confirmed usable by the City of Casa Grande IT department also delivered on USB flash drive, CD or DVD. Deliver project documentation in Microsoft word, AutoCAD and pdf formats.

Either party may request changes in the Agreement. Any and all agreed modifications shall be in writing, signed by each of the parties.

10. Termination for Default.

If the Consultant defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or commits any act of bankruptcy or insolvency or makes an assignment for the benefit of creditors, the City may, by depositing written notice to the Consultant in the U.S. mail, postage prepaid, terminate the contract, and at the City's option, obtain performance of the work elsewhere. If the contract is terminated for default, the Consultant shall not be entitled to receive any further payments under the contract until all work called for has been fully performed. Any extra cost or damage to the City resulting from such default(s) shall be deducted from any money due or coming due to the Consultant. The Consultant shall bear any extra expenses incurred by the City in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the City by reason of such default. If a notice of termination for default has been issued and it is later determined for any reason that the Consultant was not in default, the rights and obligations of the parties shall be the same as if the notice of termination has been issued pursuant to the Termination for Public Convenience paragraph hereof.

11. Termination for Public Convenience.

The City may terminate the contract in whole or in part whenever the City determines, in its sole discretion, that such termination is in the best interests of the City. Whenever the contract is terminated in accordance with this paragraph, the Consultant shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provisions for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the City at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the City.

12. Equal Opportunity.

This Agreement, and the parties thereto, shall comply with the provisions of Arizona Executive Order 75-5 as amended by Arizona Executive Order 99-4 as they relate to equal opportunity.

13. Venue and Choice of Law.

In the event that any litigation should arise concerning the construction or interpretation of any of the terms of this Agreement, the venue of such action of litigation shall be in the courts of the State of Arizona in and for the County of Pinal. This Agreement shall be governed by the laws of the State of Arizona.

14. Insurance.

14.1 Consultant Liability Insurance. Upon signing of the Agreement and so long as it shall remain in effect, consultant, at its cost and expense, shall purchase and maintain the insurance described in this subsection 14. The insurance shall be purchased and maintained in companies duly licensed or otherwise approved by the State of Arizona, with forms acceptable to the City of Casa Grande, and shall be primary with no right of contribution. The consultant's insurer shall have a minimum A.M. Best's

rating of A-VIII. Use of alternative insurers requires prior approval for the City of Casa Grande.

The insurance coverages to be purchased and maintained are:

14.1.1 Workers' Compensation. Consultant shall provide workers' compensation insurance as required by state and federal laws having jurisdiction over Consultant's employees engaged in the performance of the Services within this Agreement.

14.1.2 General Liability. Consultant shall maintain a Commercial General Liability (Occurrence) policy that includes coverage for premises and operations, products and completed operations, contractual liability, broad form property damage, and personal injury liability. The policy shall have limits of not less than:

- \$1,000,000 for each occurrence of bodily injury and property damage; and
- \$1,000,000 for personal injury;

14.1.3 Automobile Liability. Consultant shall maintain an Automobile Liability policy with a combined single limit for bodily injury and property damage of not less than \$1,000,000 for each accident. The policy shall cover all owned, hired, and non-owned automobiles used in connection with the Agreement for the performance of Consultant's services.

14.1.4 Property Insurance. A policy or policies of fire and extended coverage property damage insurance covering the full insurable value of all tools and equipment used by consultant from time to time on the lands of City of Casa Grande pursuant to the Agreement, including mobile equipment. Consultant shall also require its agents, consultants, licensees and others performing the obligations, or exercising the rights, of Consultant under the Agreement to carry such property damage insurance. Such policy or policies shall cover the full insurable value of such tools and equipment.

14.1.5 Adjustment of Liability Limits. If the initial term of the Agreement shall exceed ten years or if the aggregate term of the Agreement, including any extension or renewal terms agreed to by the parties or provided for in the Agreement shall exceed ten years, on each tenth anniversary of the date of the Agreement, the liability limits provided for in sections 14.1.2 and 14.1.3 shall be increased by an amount proportional to the increase in the US consumer price index occurring since the date of the Agreement or the date of the last such increase as appropriate.

14.1.6 Professional Liability. The Consultant retained by the City to provide the engineering services required by the Agreement will maintain Professional Liability insurance covering errors and omissions arising out of the Services performed by the Consultant or any person employed by him, with a limit of not less than \$2,000,000 each claim and \$4,000,000 all claims. In the event the insurance policy is written on a "claims made" basis, coverage shall extend for two years past completion and acceptance of Services as evidenced by annual Certificates of Insurance.

14.2 Insurance Certificate. Consultant shall not exercise any of its rights under the Agreement until it delivers to City of Casa Grande's designated recipient certificates from consultant's insurers showing that the coverage required above has been obtained.

14.2.1 The insurance certificates must show City of Casa Grande, its subsidiaries, affiliates directors, officers, and employees as additional insured parties in respect of all liability coverage except workers' compensation and professional liability insurance. The policy shall provide and the certificate shall reflect that the insurance afforded applies separately to each insured against whom claim is made or suit is brought except with respect to the limits of the company's liability.

14.2.2 The insurance certificate shall provide on its face that the policies it represents will not be terminated, amended, or allowed to expire without 30 days prior written notice to City of Casa Grande.

14.2.3 Failure of City of Casa Grande to demand the insurance certificate or other evidence of full compliance with these insurance requirements or failure of City of Casa Grande to identify a deficiency from any certificate provided to it shall not be construed as a waiver of Consultant's obligation to maintain such insurance.

14.3 Severability of Interests. The policies referenced in 14.1.2. and 14.1.3. shall contain a severability of interests clause, generally providing, "the insurance afforded applies separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the company's insurance."

14.4 Waiver of Subrogation. With the exception of Workers Compensation and Professional Liability Insurance, Consultant hereby waives any and all rights that it might have against City of Casa Grande, its employees, officers and directors, to recover all or part of any loss or damage insured or insurable by the insurance policies carried or required to be carried by it pursuant to the Contract Documents. Consultant shall require each of its agents, consultants, licensees and others performing the obligations, or exercising the rights, of Consultant under the Agreement to provide a similar waiver for City of Casa Grande's benefit.

14.5 Deductibles. Consultant may purchase the required insurance policies with deductibles which are reasonable in light of the consultant's financial condition; provided that any loss not covered due to the deductible will be paid by Consultant. Consultant shall also require its agents, consultants, licensees and others performing the obligations, or exercising the rights, of consultant under the Agreement to carry such property damage insurance. Such policy or policies shall cover the full insurable value of such tools and equipment.

15. Withholding Payment.

In the event the Consultant has failed to perform any substantial obligation to be performed by the Consultant under this Agreement and said failure has not been cured within the times set forth in this Agreement, then the City may, upon written notice,

withhold all monies due and payable to Consultant, without penalty, until such failure to perform is cured or otherwise adjudicated.

16. Future Non-Allocation of Funds.

If sufficient funds are not appropriated or allocated for payment under this contract for any future fiscal period, the City will not be obligated to make payments for services or amounts incurred after the end of the current fiscal period. No penalty or expense shall accrue to the City in the event this provision applies.

17. Protection of Licensee Data.

Consultant warrants that the Consultant's installation, maintenance, and upgrade of any software provided hereunder shall not result in the use or disclosure by Consultant of any information concerning a patient/client obtained by the City in providing service in violation of any State laws, Federal laws, including, but not limited to, the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA), and any federal regulations governing privacy, including, but not limited to, 45 CFR Section 160-164, as well as other applicable federal and state statutes and regulations.

18. Consultant Commitments, Warranties and Representations.

Any written commitment received from the Consultant concerning this Agreement shall be binding upon the Consultant, unless otherwise specifically provided herein with reference to this paragraph. Failure of the Consultant to materially fulfill such a commitment shall result in a breach of this Contract. A commitment includes, but is not limited to any representation made prior to execution of this Agreement, whether or not incorporated elsewhere herein by reference, as to performance of services or equipment, prices or options for future acquisition to remain in effect for a fixed period, or warranties.

19. Patent/Copyright Infringement.

Consultant will defend and indemnify the City from any claimed action, cause or demand brought against the City, to the extent such action is based on the claim that information supplied by the Consultant infringes any patent or copyright. The Consultant will pay those costs and damages attributable to any such claims that are finally awarded against the City in any action. Such defense and payments are conditioned upon the following:

a. That Consultant shall be notified promptly in writing by City of any notice of such claim; and

b. Vendor shall have the right, hereunder, at its option and expense, to obtain for the City the right to continue using the information, in the event such claim of infringement is made, provided no reduction in performance or loss results to the City.

20. Disputes.

20.1 General. Differences between the Consultant and the City, arising under and by virtue of the Contract Documents shall be brought to the attention of the City at the earliest possible time in order that such matters may be settled or other appropriate action promptly taken. Except for such objections as are made of record in the manner

hereinafter specified and within the time limits stated, the records, orders, rulings, instructions and decisions of the Contracting Officer, shall be final and conclusive.

20.2 Notice of Potential Claims. The Consultant shall not be entitled to additional compensation which otherwise may be payable, or to extension of time for (1) any act or failure to act by the City, or (2) the happening of any event or occurrence, unless the Consultant has given the City a written Notice of Potential Claim within 10 days of the commencement of the act, failure, or event giving rise to the claim, and before final payment by the City. The written Notice of Potential Claim shall set forth the reasons for which the Consultant believes additional compensation or extension of time is due, the nature of the cost involved, and insofar as possible, the amount of the potential claim. Consultant shall keep full and complete daily records of the Work performed, labor and material used, and all costs and additional time claimed to be additional.

20.3 Detailed Claim. The Consultant shall not be entitled to claim any such additional compensation, or extension of time, unless within 30 days of the accomplishment of the portion of the work from which the claim arose, and before the final payment by the City, the Consultant has given the City a detailed written statement of each element of cost or other compensation requested and of all elements of additional time required, and copies of supporting documents evidencing the amount or the extension of time claimed to be due.

All writings, programs, data, public records or other materials prepared by the Consultant and/or its Consultants or subconsultants, in connection with the performance of this Agreement shall be the sole and absolute property of the City.

22. Conflict of Interest.

The Consultant agrees to promptly disclose any financial or economic interest in the Project property, or any property affected by the Project, existing prior to the execution of this Contract. Further, the Consultant agrees to promptly disclose any financial or economic interest with the Project property, or any property affected by the Project, if the Consultant gains such interest during the course of this Contract.

If the Consultant gains any financial or economic interest in the Project during the course of this Contract, this may be grounds for terminating this Contract at the sole discretion of the City.

The Consultant shall not engage the services on the Contract of any present or former City employee who was involved as a decision maker in the selection or approval processes, or who negotiated or approved billings or contract modifications for this Contract.

The Consultant agrees that it shall not perform services on this Project for the consultant, sub-consultant, or any supplier.

The Consultant shall not negotiate, contract, or make any agreement with the consultant, sub-consultant, or any supplier with regard to any of the work under this Project, or any services, equipment or facilities to be used on this Project.

This Agreement is subject to the cancellation provisions for conflicts of interest pursuant to A.R.S. §38-511.

23. Covenant Against Contingent Fees.

The Consultant affirms that he has not employed or retained any company or person, other than a bona fide employee working for the Consultant to solicit or secure this Contract, and that he has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon or resulting from the award or making of the Contract. For breach or violation of this clause, the City may terminate this Contract without liability, or in its discretion may deduct from the Contract price or consideration, or otherwise recover, the full amount of such fee, commission, percentage brokerage fee, gift, or contingent fee.

24. Indemnification.

To the fullest extent permitted by law, the Consultant, its successors, assigns and guarantors, shall defend, indemnify and hold harmless the City of Casa Grande, its agents, officers, officials, and employees from and against all allegations, demands, proceedings, actions, claims, damages, losses, expenses, judgements, including but not limited to, attorney fees, court costs, and the cost of appellate proceedings, and all claims adjusting, relating to, arising out of, or resulting from any acts, errors, mistakes, omissions, work or services of the Consultant, its agents, employees, or any tier of Consultant's subconsultants in the performance of this Contract.

Consultant's duty to defend, indemnify and hold harmless the City of Casa Grande, its agents, officers, officials, and employees shall arise in connection with any allegation, demand, proceeding, action, claims, damage, loss, expense or judgement that is attributable to bodily injury, sickness, disease, death, or injury to, impairment, or destruction of property including loss or use resulting there from, caused by Consultant's acts, errors, mistakes, omissions, work or services in the performance of this Contract including any employee of the Consultant, any tier of Consultant's subconsultants or any other person for whose acts, errors, mistakes, omissions, work or services the Consultant may be legally liable. Consultant shall indemnify and hold harmless the City, its officials, agents or employees from all loss or expense, including, but not limited to settlements, judgments, setoffs, attorneys' fees and costs resulting from Consultant's breach of this provision.

26. Public Disclosure.

In the event of a public records request to the City for the Licensed Program or Licensed Documentation, the City shall promptly provide a copy of such request to Consultant so that it has at least 7 days from Consultant's receipt of such request in which to seek an order restraining the City from disclosing the Licensed Program and Documentation pursuant to such public records request. If Consultant does not obtain a restraining order within such period of time, the City may disclose the Licensed Program and Licensed Documentation pursuant to such public request as the City deems appropriate to comply with Arizona's Public Records Laws.

To this end, the terms and conditions of this contract are declared severable.

29. Waiver.

30. Survival.

The provisions of paragraphs, 4, 6, 8, 10, 11, 12, 13, 14, 16, 17, 18, 19, 20, 21, 24, 25, 26, 27, 33 and 34 and the provisions of any non-collusion affidavit, shall survive, notwithstanding the termination or invalidity of this Agreement for any reason.
