We need your help now more than ever. For the last 22 years, our organization has worked diligently to provide high-quality and high-impact programs to the youth of our community. And while this year has been difficult for everyone, our organization has risen to the challenge and continued to serve the young people who need us most. Our goal has always been to provide young people with a safe place to go when they aren't in school, but this goal was especially important this year. Over the past 12 months, we have alternated between operating all-day learning labs and after-school programs based on what learning model the schools were using. By purchasing raffle tickets, you will help ensure that our organization can continue to provide safe places for local youth to learn and grow.

We would like to thank Jack & Vicki Stonebraker for donating the truck to our organization, and we would like to thank Garrett Motors for supporting this raffle!

And again, if you would like to try to win this brand new 2021 Chevy Silverado Trail Boss, please text TRUCK to 7 6 2 7 8 or visit [truck.givesmart.com](http://truck.givesmart.com).
