CGRMC Selected as a 2013 Most Admired Company

Phoenix, September 13, 2013—Casa Grande Regional Medical Center (CGRMC) has been selected by Arizona Business Magazine and BestCompaniesAZ as one of 40 winners for the 2013 Arizona's Most Admired Companies Awards (MAC). All 40 winners were recognized at an awards reception held at the Ritz Carlton on September 11 and are featured in the September/October issue of AZ Business Magazine.

Arizona's Most Admired Companies are selected based on how a company has performed in the following areas: Workplace Culture, Leadership Excellence, Corporate and Social Responsibility, Customer Opinion and Innovation.

"This is the most comprehensive and most prestigious corporate awards program in Arizona. It recognizes the contributions and impact these 'most admired companies' bring to the state," says Denise Gredler, Founder and CEO of BestCompaniesAZ and co-founder of the MAC program.

Rona Curphy, President and CEO of CGRMC, noted, "This is our second year as a Most Admired Company and with over 300 nominations, I feel extremely proud that our company was selected as one of just 40 winning companies. This award is a direct result of the work that our employees, physicians and volunteers do each and every day in living out our mission in our community."
