

# Let's put our children at the top of the list.

## Your child's future is at risk. What can you do to protect them?

- **Talk to your children about the dangers of drugs and alcohol.**  
Over half of Casa Grande teens who don't use drugs choose not to because they don't want to disappoint their parents or another adult in their life.<sup>1</sup>
- **Spend quality time with your children.**  
68% of teens agree, "I really like to do things with my family".<sup>2</sup>
