I.2

City Council Regular Meeting

Meeting Date: 02/21/2017
Recommended by: Kevin Louis **Prepared by:** Pedro Apodaca, Streets Supervisor
Finance Director Review: Celina Morris
City Attorney Review: Brett Wallace
Approved by: Larry Rains **Date Submitted:** 01/17/2017
Type of Action Requested: Ordinance

SUBJECT:

Request Authorization to Contract for Pavement Striping Maintenance

RECOMMENDATION:

Staff recommends that the Mayor and City Council authorize staff to contract with Sunline Contracting LLC from Glendale, Arizona utilizing an existing City of Goodyear Contract CON-13-2195-A4 to provide pavement striping maintenance to City streets and to approve the expenditure of funds in an amount not to exceed \$200,000.

DISCUSSION:

Staff has identified approximately \$180,000 in pavement striping but is requesting spending authorization not to exceed \$200,000, our budgeted amount. The contract would provide for pavement striping of various City streets including center-line (double and skip), edge lines, turn lanes, crosswalks, stop bars and turn arrows. On average, street striping is replaced every 3 to 5 years with heavy traffic areas requiring shorter increments.

Sunline Contracting has done striping work in the City of Casa Grande and staff is very pleased with their performance.

FISCAL IMPACT:

Funding in the amount of \$1,800,000 is available in the Streets HURF, account 201-21-201-100-8301-10000 Annual Pavement Preservation which \$200,000 is allocated for striping City streets and \$100,000 for crack seal material.

ALTERNATIVES:

Go through public bidding process at the City level.
Postpone any street striping at this time.
