

Here is list of Apprenticeship programs offered in Arizona. This is a great opportunity for our members to earn money while they are learning. My son is the Regional Director of this program in South Dakota and he says they have had great outcomes for people that have enrolled. Training is usually a year or two. No student loans to pay back and you earn while you learn. These are usually union trades ie; welding, plumbing, heating and air-conditioning, etc.

APPRENTICESHIP

PROGRAM LIST

Complete Program List as of June 2016
