Dear AZPC Patient:

It is with great regret that we announce the closing of the Arizona Priority Care – Casa Grande Medical Clinic, effective June 30, 2016.

The last day for patients to be seen with scheduled appointments will be June 27th, 2016. During this time of transition, the clinic staff will be available until June 30th to answer any questions you may have.

For assistance in selecting a new Primary Care Physician, you should contact your Insurance Company or Health Plan for additional information regarding the providers who are available to you.

It is very important that you make arrangements as soon as possible to select a new physician to ensure that you receive uninterrupted medical care.

Once you have selected a new physician, you will need to complete a “Medical Records Release” form authorizing us to send a copy of your records to your new physician. We are unable to do this without your written authorization. If you are in need of medical records after the 30th of June, please contact AZPC Customer Service @ 480-499-8750 for assistance.

Thank you for having chosen AZPC Casa Grande Medical Clinic. It has been a pleasure providing for your healthcare needs over the years.

Kindest Regards,

Amish Purohit, MD, MHA, CPE, FACHE
