Dear Neighbor:

After almost 30 years of service to this community, our local hospital has achieved another milestone to celebrate by joining with Banner Health. Our community hospital begins a new and exciting journey as **Banner Casa Grande Medical Center**. The hospital is now one of the 25 hospitals that comprise Banner Health, which has an outstanding reputation for patient quality, safety and innovation.

Banner Health is a non-profit health system and its mission is: ***We exist to make a difference in people's lives through excellent patient care.*** With that mission at the heart of everything we do, our dedicated employees will continue to serve this community with the compassion and caring that they have repeatedly demonstrated. Most of all, I am pleased that we can continue to offer our community outstanding health care locally.

I am proud to be a member of this local community and look forward to the many advantages that Banner Health will bring to our community and our facility including a **remodel of the front lobby and a refresh of our maternity unit**. Thank you for your ongoing support and I hope you will join me in wholeheartedly welcoming Banner to Casa Grande as we continue to pursue **quality care, innovation and an exceptional patient experience**.

We always welcome feedback from our community, so please feel free to contact me directly if you have questions or concerns as we move into this new and positive future.

To your health,

Rona Curphy
